---

## TECHNICAL SKILLS

**Programming Languages:** C++, Javascript, Python, Ruby (Beginner), HTML/CSS, Intel x86-64 Assembly

**Web Frameworks:** jQuery, Bootstrap

**Databases:** MongoDB (Beginner)

**Tools:** Git, Photoshop, Balsamiq, Linux

**Interests:** Web Development, Front-End, Back-End, Full-Stack, Data Analytics, Security

## GITHUB PROJECTS

[egonuuc/polyhack2017](https://github.com/egonuuc/polyhack2017) » [travie17.herokuapp.com](https://travie17.herokuapp.com)

Created a website for a hackathon that enabled solo travelers to connect with one another

Technologies: HTML/CSS, Javascript, Bootstrap, MongoDB, JQuery, Git

[egonuuc/trump-libs](https://github.com/egonuuc/trump-libs) » [trump-libs.github.io](https://trump-libs.github.io)

The Donald Trump Parody Tweet Generator project was a part of my web programming class. It was a group project in which we tried to use different tools to create a game. In our case, we decided to make a tweet generator that functioned like the game mad-libs. Users would input three words and it would re-populate an already existing Donald Trump tweet with their words

Technologies: HTML/CSS, Javascript, Bootstrap, MongoDB, Photoshop, Git

[egonuuc/egonuuc.github.io](https://github.com/egonuuc/egonuuc.github.io) » [egonuuc.github.io](https://egonuuc.github.io)

This is my personal website/potfolio for showcasing some of my design work and describing my programming experience via selected projects.

Technologies: HTML/CSS, Javascript, JQuery, Git

## PROFESSIONAL EXPERIENCE

Teaching Assistant, Girls Who Code, Mountain View, CA

June 2017 – August 2017

Taught students programming fundamentals and applications of computer science. Led sessions on basic and intermediate coding skills with Python, JavaScript, HTML/CSS, robotics, and Scratch

Technologies: Python, Django, JavaScript, HTML/CSS, Arduino C, Scratch

Publicity Assistant, Tufts Music Box Office, Medford, MA

September 2016 – Present

Coordinated publicity efforts including press releases, media relations, and poster design for Tufts Music events. Handled both booth and telephone concert ticket sales
